YOUR WORLD-CLASS GLOBAL LOGISTICS PARTNER

INTRODUCTORY PRESENTATION

Your access to the world of logistics and warehousing for commodities.

LOCALLY. GLOBALLY.
This presentation and the accompanying information (the “presentation”) have been prepared by Access World and are being provided strictly on a confidential basis and for informational purposes only. This presentation is intended only for the person to whom it has been delivered and may not be reproduced in whole or in part, nor may its contents be disclosed to any other person under any circumstances.

This presentation does not constitute an offer and shall not form the basis or be relied upon in connection with any contract or binding commitment whatsoever. While this presentation has been prepared based on information which Access World considers to be reliable, Access World makes no representation about the suitability of the information contained in the text, graphics, and other content for any purpose whatsoever. The information contained in this presentation does not purport to be all-inclusive and Access World makes no representation or warranty as to the accuracy or completeness of this presentation and shall not have any liability for any representations (expressed or implied) in respect of, or any omission from, information contained in this presentation.
The roots of Access World trace back to 1933 in Trieste, Italy.

Our development, growth and expansion over the years is directed by our continuous drive to serve our clients’ needs and meet their requirements.

Growing from the original family-run company into a global organisation with its corporate headquarters in Zug, Switzerland as well as worldwide offices and operations.
Access World handles ferrous and non-ferrous metals, lumber, soft commodities, chemicals and Project Cargo and has become a leading service provider to the commodity markets serving producers, traders, financiers and consumers.
Keeping it simple.
Benefit from reduced vendor complexity. Access World’s network has full presence and active capabilities in EUROPE & MIDDLE EAST, ASIA-PACIFIC, AFRICA and the AMERICAS.

- Crushing & Screening
- Ocean / Inland Terminals
- Warehousing
- Strategic Alliances

Diversification

Broad range of services across multiple commodities and geographic regions. Customised services to producers, traders, financiers and consumers of commodities.
Access World provides **tailor-made solutions** to commodity owners to pledge their goods to financiers.

**Trusted** by financiers, producers, traders and processors to act as an **independent third party** to provide collateral management and stock management services.

With **extensive expertise and knowledge of commodity trade, local laws and regulations** Access World applies **stringent risk management processes** from structuring the Collateral Management Agreement to the execution of the physical – and documentary control of the receipt and release of the goods on-site.

**We manage pledged commodities** such as ferrous and non-ferrous metals & concentrates, steel and iron products, edible oils, fuel oils, rubber, high value electronics, pulp & paper, soft commodities such as cotton, rice, cocoa beans/powder, fertilizer, sugar and general cargo.
